Certificate no.	Company	Product	First types
40018119	Anytek Technology	Connector (COC)	Serie TS,Serie VK
40018143	Anytek Technology	Connector (COC)	Serie TJ,Serie OQ
40018495	Anytek Technology	Connector (COC)	TH Serie,OP Serie
40018655	Anytek Technology	Connecting device, terminal with screwless-type clamping units and solder pins for printed circuit board	HA series
40018904	Anytek Technology	Connecting device, terminal	T4
40019266	Anytek Technology	Connecting device, terminal with screwless-type clamping units and solder pins for printed circuit board	HC series
40019269	Anytek Technology	Connecting device, terminal with screwless-type clamping units and solder pins for printed circuit board	HF series
40019491	Anytek Technology	Connecting device, terminal with screwless-type clamping units and solder pins for printed circuit board	HB series
40020571	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	TO
40020572	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	TA
40020573	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	TC
40020740	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	TI Series
40021865	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	TG Series
40031261	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	VJ-series
40040739	Anytek Technology	Connector (COC)	TS serie,WR serie
40041262	Anytek Technology	Connector (COC)	VM Series,OQ Series
40041999	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	VP 10.16 Series
40046713	Anytek Technology	Connecting device, terminal with screwless-type clamping units and solder pins for printed circuit board	NI series
40050142	Anytek Technology	Connecting device, terminal with screw-type clamping units and solder pins for printed circuit board	T7 Series
40052416	Anytek Technology	PCB terminal block	XA 6.35,XA 8.6
40054919	Anytek Technology	Connecting device, terminal with screwless-type clamping units and solder pins for printed circuit board	NI series
40055070	Anytek	PCB terminal block	NM series
